CONTINUATION OF COMPLAINT:**Jose Guadalupe GUERRERO****PROBABLE CAUSE STATEMENT**

On July 6, 2008, Border Patrol Agent J. Licon Jr. was performing his assigned duties in the Chula Vista area of responsibility. At approximately 8:45 p.m. Agent Licon Jr. was responded to a seismic sensor activation in an area which is approximately one half mile north of the United States/Mexico International Boundary and one mile east of the Otay Mesa, California Port of Entry.

Upon arriving in the area, Agent Licon Jr. briefly searched the area and encountered four individuals attempting to hide in high brush. Agent Licon Jr. approached the four individuals, including one later identified as the defendant, **Jose Guadalupe GUERRERO**, and identified himself as a Border Patrol Agent and questioned them regarding their citizenship. All four individuals admitted to being citizens and nationals of Mexico without any immigration documents that would allow them to enter or remain in the United States legally. All four were placed under arrest and were transported to the Chula Vista Border Patrol Station for processing.

Routine record checks of the defendant revealed a criminal and immigration history. The defendant's record was determined by a comparison of his criminal record and the defendant's current fingerprint card. Official immigration records of the Department of Homeland Security revealed the defendant was previously deported to **Mexico** on **July 4, 2008** through **San Ysidro, California**. These same records show that the defendant has not applied for permission from the Attorney General of the United States or his designated successor, the Secretary of the Department of Homeland Security, to return to the United States after being removed.
